

## The next steps, in this, your time of loss...

1. Call us with your questions or to report a death or start the planning process on our interactive website.

2. A licensed representative will contact you promptly to discuss options and how to best carry out your loved ones' wishes.

3. Go to our website to register your loved one by entering information for the death certificate. Cremation authorizations will be sent via email.

4. We will arrange transportation of your loved one to our care facility.

5. Cremation will be performed once all paperwork has been completed and signed.

6. We will schedule a time for you to pick up your loved one and any other documentation.

## What is Cremation?

Cremation is a dignified process of reducing human remains to bone fragments through intense heat.

### Ohio Law states:

- Cremation cannot take place during the first 24 hrs after death.
- Cremation requires the signed authorization on the Ohio Death Certificate by the attending physician of the deceased.
- State registrar must issue a cremation permit prior to cremation.
- An authorization for cremation be signed and initialed by the legal next of kin.
- Prior to cremation, a positive identification or proof of photograph of the deceased is required.
