# Personalized Keepsake Options

## Thumbprint Jewelry

Legacy Touch thumbprint keepsakes are uniquely personal keepsakes, fashioned in precious metal from a fingerprint of your loved one or footprint of an infant. Ask for a brochure for additional information.

## Living Glass Keepsakes

By suspending cremated remains within solid glass globes and pendants, Living Glass provides a unique method of memorializing your family and friends. Using an extremely small amount of cremated remains, every member of the family can have their own tangible keepsake that will last forever. Please ask for a brochure for all offerings.

**Living Glass Orb**  
\$295

**Living Glass Heart**  
\$295

**Living Glass Touchstones**  
\$325

## Living Stones Solidified Remains

Living Stones offers families a keepsake of solidified remains, an alternative to conventional cremains. This process solidifies the amount of remains into a form that resembles a collection of smooth stones. Quantity options for 5 stones or 3 stones are available.
